FIVE DOLLARS PREMIUM!

One of the "best workers" in the Butternut ranks, met a man in the corporation last week, and approached him in a very peculiar way. Thinking that the man loved money better than honor, ye Butternut offered to give him five dollars if he would vote the Butternut ticket; and offered him a contract for the campaign, at five dollars apiece for all the Union men he would procure to vote the Butternut ticket. Ye Union man, not feeling disposed to accept a bribe, and not knowing any loyal men who would sell their votes, concluded that the contract would be a "bad egg"—and not feeling under any obligation to keep the matter quiet, "blowed" it on the street.

The Butternuts are so pure and virtuous, that one would hardly think they would get down to open bribery, yet they do sometimes, nevertheless!

Whisky and Ignorance, No. 2.

That young fellow who is trying to make himself notorious by abusing the old citizens of this community, through the columns of the Record, did a very bright thing in the way of a column of personal abuse and slander, in last issue.

He says John Robbins is "notorious for an unnatural appetite for 'Paddy's eye-water,' by which, he wishes this community to understand that Robbins drinks much 'tangle-foot whisky.' This community knows John Robbins too well to believe any such slander. Robbins is 'notoriously' a temperate, upright young man.

But, why does the Copperhead attack our candidates in any such way? Why does he lie to abuse better men than himself? Now, we say, in all candor, that we have made no personal war upon the candidates on the Copperhead ticket—that we have said, has only referred to their official and political status. Where have we written personal abuse? About whom? We referred to the defalcation of Henry Reynolds, Treasurer. "Taxpayer" wrote of that six months ago. Judge Craig admitted it. What else have we said of Reynolds? Nothing, save that he is a Butternut. And what have we said of Moore, candidate for Auditor? We said, and he admitted to us, that it was true, that he was a "Son of LIBERTY." We charged that the county paid an attorney \$80 for making his (Moore's) settlement with the Treasurer in 1865. We can prove that the attorney done it in less than eight hours. Call it Clerk hire, if you please! Ten Dollars per hour is high-priced clerk hire! Moore's incompetency compelled the county to pay it.

Have we ever referred to Moore's personal matters in any unmanly manner? As to your candidate for Sheriff, J. J. Shockey, we did say he had been careless of the jail—that Mailey Thompson "did not displace a brick, or cut a bar, or pick a lock." Dare Jeff. say to the contrary? Well, that's public, official conduct, to which we have a right to refer. Have we ever said anything else of him? Did we ever refer to the MARY LOGAN matter, within his official province, and alike disgraceful to him and the jail? Have we ever spoken of the affidavit she wished to file to bring an action of bastardy against Jeff? Dare you deny these things, gentlemen? If they are not true, Jeff's party friends have lied about him most shamefully. Besides, the manner in which she was spirited away in the night, by those interested in her hasty departure, confirms this community in the belief of his guilt. He and his friends have been trying to shift this matter on to others, but shifts are useless in the case. We have heard that the Sheriff has made some serious threats against us, in connection with our reference to him. We care nothing about threats of blood; blood, in this case, has been sought for in vain!

Now, gentlemen, you had better not throw stones, while you live in glass houses!

A CARD.

MR. EDITOR:
I notice in the last issue of your paper, that H. C. Jones, the mouth-piece, the doer of the dirty work of the Radicals of Vinton County, charges me with incompetency and inability to perform the duties of Auditor. Now, that is all, for I can make settlements with the Treasurer, or do any other business connected with the office, and that is more than he can do, provided he does happen to be Assistant Auditor for Felton. Every person that knows anything about the office, knows that every Auditor of the County, has had an allowance for Clerk hire, and that is all I ever asked for. Any other assistance I ever had, was always paid for out of my own pocket. He also charged that I swore men and boys to run away or resist if drafted, and that I dare not deny it. That is a lie! I do dare deny it, and I did dare to tell him that any man who said so was a liar.

Oh well, he replied, I don't know anything about it. This is his way, always saying something about that of which he knows nothing. I suppose his wild, imaginative, conquering, morbid brain prompted him to write what he did for the purpose of defeating me at the coming election. He says, remember to vote for loyal, honest competent men. Does he mean that I am disloyal, dishonest and incompetent? Has he ever studied the meaning of these words, and does he not know that they are very grave and serious charges for one man to prefer against another. So far as the question of loyalty is concerned, I consider myself just as loyal as he ever was, and more so at this time, for I heard him say, but a few weeks ago, that "he would sooner vote for Jeff Davis than for President Johnson, the accidental President," (an accident of God, as the Rump Congress party say) and I am prepared to prove it. Voters of Vinton County, has he not placed himself in a ridiculous position, and is he not a beautiful specimen of humanity?

Smart lawyer, as he thinks he is, to set himself up as a judge of loyalty, after making such a declaration as that! He has so long done the dirty work of the Radicals of this County, that he has become callous to every instinct of decency and manliness. I only notice him now, because he has so persistently lied about me.

H. C. MOORE.

"Splendid 'Splay'!"

We are informed that Geo. W. Johnson held a Rad. meeting at Allensville to-day, and that there were actually TWO persons in attendance. He became so disgusted at the Democrats boring him, that he treated the crowd and left without speaking. Farewell, Geo.!

Our County Ticket!

The Democracy of Vinton county have an excellent ticket presented to them for their suffrages at the election next Tuesday. Every man on the ticket possesses, in an eminent degree, the Jeffersonian standard of qualifications—honesty and capability.

J. J. Shockey, the candidate for Sheriff, has filled the office for one term with remarkable ability and success. He has the good will of all who have had anything to do with the Sheriff's office. Vote for Shockey for Sheriff!

Henry Reynolds is the candidate for Treasurer. He was formerly Treasurer of this county; and the PEOPLE all know that he was an efficient and popular officer, is a good citizen, and worthy gentleman, whose character is above suspicion. Vote for Reynolds for Treasurer!

Richard Craig is a candidate for re-election as Probate Judge, and is admirably qualified for the place. He is an upright, honorable man, and an excellent and impartial officer. Vote for Craig for Probate Judge!

George Lantz, candidate for Clerk of Court of Common Pleas, is, as every man in Vinton county knows, well fitted for the position, by education and natural ability. Vote for Lantz for Clerk!

Henry C. Moore is the candidate for Auditor, having filled the office almost one term to the entire satisfaction to everybody. He is one of the best men we have in Vinton county. Vote for Moore for Auditor!

For Commissioner, Thomas Magee, of Brown township, is the candidate. He is a farmer; a practical business man, of sound judgment and good acquirements; and is just the man to be placed in that position. Vote for Magee for Commissioner!

Dr. James A. Monahan, of Clinton township, is just the man who should be elected to the office of Coroner, being a physician. A Coroner ought to be a physician; and, if the doctor is elected, he will be the right man in the right place. Vote for Dr. Monahan for Coroner!

Democrats, such is the ticket! Give it a hearty support, a rousing majority! To work! Forward, march!

Look Out for Bogus Tickets

It has been intimated that the Rads. would imitate tickets with Democrats names spelled wrong, and thus defeat a part of our County Ticket. Be on your guard.

Rally, Boys!

Democrats of Vinton county, we must poll our whole strength. Get out the forces! Wake up those who are indifferent! Strengthen those who are weak! Rally the stragglers! Dress the line! Be ready to assault the enemy early on the morning of the 9th, and a glorious victory will be ours.

Remember

That the Abolition writer, Homer "Cicero" Jones, late Capt. 18th O. V. I., said and admitted that "he (Jones) would rather vote for Jeff. Davis than Andrew Johnson."

Remember, also, that the candidates on the Rump ticket endorse his saying.

Next Tuesday.

Remember that next Tuesday is the day that the State election will be held. Be ready to start early to the places of holding elections in your respective townships! See that all your Democratic neighbors attend the election! Provide a way for those who are sick or lame to go to the election! Get those who are in favor of equal taxation of the rich and poor, to vote the Democratic ticket!—be faithful!—there is no time to lose! Vote the whole Democratic ticket!

RINGS

VEGETABLE AMBROSIA
IS THE MIRACLE OF THE AGE.

GRAY-HEADED people have their locks restored by it to the dark, lustrous, silken tresses of youth, and are happy!

Young people, with light, faded or red hair, have these unfashionable colors changed to a beautiful auburn, and rejoice!

People whose heads are covered with dandruff and humors, use it, and have clean coats and clear and healthy scalps!

Bald-headed veterans have their remaining locks thickened, and the bare spot covered with a luxuriant growth of hair, and dance for joy!

Young gentlemen use it because it is richly perfumed!

Young ladies use it because it keeps their hair in place!

Everybody must and will use it, because it is the closest and best article in the market!

For Sale by Druggists Generally.

From Hon. Warren Chase, the Lecturer.
My hair and whiskers have been many years gray. "Ring's Vegetable Ambrosia" has restored both to their original color, black, and covered the baldness of the top of my head with a fine growth of black hair. I have several friends who have used it with the same results, and I cordially recommend it as one of the few medicines that will do what its labels and circulars claim for it.
